

# Service Guide

April 2025

# Introduction

## BACKGROUND

SafeCo is a corporate services company with its roots in high-end marketing, where we built a reputation for precision, creativity, and trust. As our clientele grew, so did their needs—leading us to expand into bespoke corporate jet charter services. Today, SafeCo seamlessly blends strategic corporate support with exceptional private air travel, delivering a level of service that reflects our deep understanding of executive expectations and discretion.

## MISSION AND VISION

At SafeCo, we deliver exceptional worldwide and regional aircraft charter experiences with an unwavering commitment to safety, comfort, and personalized service. Based in Hong Kong, our curated fleet offers discerning travelers a secure and seamless journey across Asia and beyond—every flight, every time.

# Private Jet Rental Market

## TARGET AUDIENCE

**High-Net-Worth Individuals (HNWIs):** Individuals with a net worth of \$1 million or more. As of 2023, there are approximately 22 million HNWIs globally, with a significant portion concentrated in North America and Europe.

**Corporate Executives:** Senior executives from Fortune 500 companies and multinational corporations, often traveling for business engagements and meetings.

**Celebrities and Influencers:** Prominent figures in entertainment, sports, and social media who require privacy and convenience during travel.
